

Quality & Corporate Social Responsibility Policy

Recurrent Energy – Renewable Energy at Your Doorstep.

The Corporate Management of Recurrent Energy implements and instills at all levels of the organization a **vision and values focused on excellence** through a faithful commitment to Quality management and applicable requirements.

We firmly believe that the quality of our work is a fundamental factor in consolidating and expanding our business. That's why **we seek to obtain maximum satisfaction** from our customers, colleagues, partners, investors and all whose lives we touch.

Maintain **fluid communication** with our customers to meet their needs, requirements, and expectations, so that we can **maximize their satisfaction and loyalty**.

Raise awareness among our staff of the importance of their role in the organization and how they contribute to the quality of the work we do for our customers.

We are also here to **make a positive difference** to the environment and society as a whole.

Recurrent Energy pledges itself to a **commitment of continuous improvement** through effective performance evaluation, periodic analysis of the context of our organization, identification and evaluation of risks and opportunities, review of our policies and carry out periodic audits to achieve company objectives.
